C15. Mail-order pharmacies

You can get prescription drugs shipped to your home through our network mail-order delivery program. After the pharmacy receives a prescription from a health care provider, it will contact you to see if you want the medication filled immediately or at a later time. This will give you an opportunity to make sure that the pharmacy is delivering the correct drug (including strength, amount, and form) and, if needed, allow you to stop or delay the order before it is shipped.

Typically, you should expect to get your prescription drugs within 14 days from the time that the mail-order pharmacy gets the order. If you do not get your prescription drug(s) within this time, please contact us at 1-855-670-5935 (TTY: 711). To learn more about mail-order pharmacies, see Chapter 5 of the *Evidence of Coverage*.

C16. Home infusion pharmacies

Tufts Health Plan Senior Care Options will cover home infusion drugs if:

- Your prescription drug is on our Plan's formulary or a formulary exception has been granted for your prescription drug.
- Your prescription drug is not otherwise covered under our Plan's medical benefit.
- Our plan has approved your prescription for home infusion therapy and your prescription is written by an authorized prescriber.

Please note that this is a directory of home infusion pharmacies, and these pharmacies are contracted to provide medications to support home infusion therapy, but they may not be contracted to provide nursing services to our members. For further information see your *Evidence of Coverage*.

If you have questions, please call Tufts Health Plan Senior Care Options at 1-855-670-5934 (TTY: 711), 7 days a week, 8 a.m. – 8 p.m. (Apr. 1 – Sept 30, Mon. – Fri., 8 a.m. – 8 p.m.). The call is free. **For more information**, visit www.thpmp.org/sco-member.
