

IMPORTANT INFORMATION

Please read the "Important Information" section, fill out the application on page 1, answer questions 1 through 5 on page 2, then sign the application on page 3.

- (a) You do not need more than one Medicare Supplement Insurance Policy.
- (b) If you purchase this Policy, you may want to evaluate your existing health coverage and decide if you need multiple coverages.
- (c) You may be eligible for Medicaid benefits and may not need a Medicare Supplement Insurance Policy.
- (d) The benefits and premiums under your Medicare Supplement Insurance Policy can be suspended, if requested, during your entitlement to benefits under Medicaid for 24 months. You must request this suspension within 90 days of becoming eligible for Medicaid. If you are no longer entitled to Medicaid, your Policy will be reinstituted if requested within 90 days of losing Medicaid eligibility.

If the Medicare Supplemental Insurance Policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your Policy was suspended, the reinstituted Policy will not have outpatient prescription drug coverage, as you will be enrolled in the most comparable plan without outpatient prescription drug coverage.

- (e) If you are eligible for, and have enrolled in a Medicare Supplement Insurance Policy by reason of disability and you later become covered by an employer or union-based group health plan, the benefits and premiums under your Medicare Supplement Insurance Policy can be suspended, if requested, while you are covered under the employer or union-based group health plan. If you suspend your Medicare Supplement Insurance Policy under these circumstances, and later lose your employer or union-based group health plan, your suspended Medicare Supplement Insurance Policy (or, if that is no longer available, a substantially equivalent policy) will be reinstituted if requested within 90 days of losing your employer or union-based group health plan.

If the Medicare Supplement Insurance Policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your Policy was suspended, the reinstituted policy will not have outpatient prescription drug coverage, as you will be enrolled in the most comparable plan without outpatient prescription drug coverage.

- (f) Counseling services are available in Massachusetts to provide advice concerning your purchase of Medicare Supplement Insurance Policy and concerning medical assistance through the state Medicaid program, including benefits as a Qualified Medicare Beneficiary (QMB) and a Specified Low-Income Medicare Beneficiary (SLMB). You may call the Massachusetts Executive Office of Elder Affairs insurance counseling program at 1-800-243-4636 (TTY: 1-800-872-0166) or write to that office at the following address for more information: One Ashburn Place, 5th Floor, Boston, MA 02108.
