## SECTION 1 Changes to Benefits and Costs for Next Year

### Section 1.1 – Changes to the Monthly Premium

Effective in 2023, upon your Employer Group’s renewal with Tufts Medicare Preferred Group PDP V, the monthly plan premium you pay may change. Please contact your benefits administrator for details.

### Section 1.2 – Changes to the Pharmacy Network

Amounts you pay for your prescription drugs may depend on which pharmacy you use. Medicare drug plans have a network of pharmacies. In most cases, your prescriptions are covered *only* if they are filled at one of our network pharmacies.

There are changes to our network of pharmacies for next year. An updated *Pharmacy Directory* is located on our website at [www.thpmp.org](http://www.thpmp.org). You may also call Member Services for updated provider information or to ask us to mail you a *Pharmacy Directory*. **Please review the 2023 *Pharmacy Directory* to see which pharmacies are in our network.**

It is important that you know that we may make changes to the pharmacies that are part of your plan during the year. If a mid-year change in our pharmacies affects you, please contact Member Services so we may assist.

### Section 1.3 – Changes to Part D Prescription Drug Coverage

#### Changes to Our Drug List

Our list of covered drugs is called a Formulary or “Drug List.” A copy of our Drug List is provided electronically.

We made changes to our Drug List, including changes to the drugs we cover and changes to the restrictions that apply to our coverage for certain drugs. **Review the Drug List to make sure your drugs will be covered next year and to see if there will be any restrictions.**

Most of the changes in the Drug List are new for the beginning of each year. However, during the year, we might make other changes that are allowed by Medicare rules. For instance, we can immediately remove drugs considered unsafe by the FDA or withdrawn from the market by a product manufacturer. We update our online Drug List to provide the most up to date list of drugs.

If you are affected by a change in drug coverage at the beginning of the year or during the year, please review Chapter 9 of your *Evidence of Coverage* and talk to your doctor to find out your options, such as asking for a temporary supply, applying for an exception and/or working to find a new drug. You can also contact Member Services for more information.

**Changes to Prescription Drug Costs**

*Note:* If you are in a program that helps pay for your drugs (“Extra Help”), **the information about costs for Part D prescription drugs may not apply to you.** We have included a separate insert, called the “Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs” (also called the “Low Income Subsidy Rider” or the “LIS Rider”), which tells you about your drug costs. If you receive “Extra Help” and didn’t receive this insert with this packet, please call Member Services and ask for the “LIS Rider.”

There are four “drug payment stages.”

The information below shows the changes to the first two stages – the Yearly Deductible Stage and the Initial Coverage Stage. (Most members do not reach the other two stages – the Coverage Gap Stage or the Catastrophic Coverage Stage.)

**Important Message About What You Pay for Vaccines**

Our plan covers most Part D vaccines at no cost to you. Call Member Services for more information.

**Important Message About What You Pay for Insulin**

You won’t pay more than \$35 for a one-month (30-day) supply of each insulin product covered by our plan, no matter what cost-sharing tier it’s on.

**Changes to the Deductible Stage**

Stage	2022 (this year)	2023 (next year)
<b>Stage 1: Yearly Deductible Stage</b>	The deductible is \$0.  Because we have no deductible, this payment stage does not apply to you.	The deductible is \$0.  Because we have no deductible, this payment stage does not apply to you.

## SECTION 3 Deciding Which Plan to Choose

### Section 3.1 – If You Want to Stay in Tufts Medicare Preferred Group PDP V

Please check with the benefits administrator of your employer retiree group regarding any of their own enrollment period requirements.

**To stay in our plan, you don't need to do anything.** If you do not sign up for a different plan by December 7, you will automatically be enrolled in our Tufts Medicare Preferred Group PDP V.

### Section 3.2 – If You Want to Change Plans

We hope to keep you as a member next year but if you want to change for 2023 follow these steps:

#### Step 1: Learn about and compare your choices

- Please check with the benefits administrator of your employer retiree group regarding other plans offered and the enrollment period.
- If you decide to leave your Employer Group coverage through Tufts Medicare Preferred Group PDP V, you can switch to a different Medicare health plan (either with or without Medicare prescription drug coverage). You can also cancel your enrollment and switch to Original Medicare (either with or without a separate Medicare prescription drug plan). If you disenroll from Medicare prescription drug coverage and go without creditable prescription drug coverage, you may need to pay a late enrollment penalty if you join a Medicare drug plan later.
- You can join a different Medicare prescription drug plan,
- -- OR-- You can change to Original Medicare. If you change to Original Medicare, you will need to decide whether to join a Medicare drug plan.

If you decide to leave your Employer Group coverage and want to change to a different plan, there are many choices.

To learn more about Original Medicare and the different types of Medicare plans, read the *Medicare & You 2023* handbook, call your State Health Insurance Assistance Program (see Section 5), or call Medicare (see Section 7.2).

As a reminder, Tufts Medicare Preferred offers other Medicare prescription drug plans. These other plans may differ in coverage, monthly premiums, and cost-sharing amounts.

## Step 2: Change your coverage

- Your employer retiree group determines when you can change from the group plan. Please contact your benefits administrator.
- **You are a member of an employer or retiree group plan.** Please check with the benefits administrator of your employer or retiree group *before you change your plan*. This is important because you may lose benefits you currently receive under your employer or retiree group coverage if you switch plans.
- To **change to a different Medicare prescription drug plan**, enroll in the new plan. You will automatically be disenrolled from Tufts Medicare Preferred Group PDP V.
- To **change to a Medicare health plan**, enroll in the new plan. Depending on which type of plan you choose, you may automatically be disenrolled from Tufts Medicare Preferred Group PDP V.
  - You will automatically be disenrolled from Tufts Medicare Preferred Group PDP V if you enroll in any Medicare health plan that includes Part D prescription drug coverage. You will also automatically be disenrolled if you join a Medicare HMO or Medicare PPO, even if that plan does not include prescription drug coverage.
  - If you choose a Private Fee-For-Service plan without Part D drug coverage, a Medicare Medical Savings Account plan, or a Medicare Cost Plan, you can enroll in that new plan and keep Tufts Medicare Preferred Group PDP V for your drug coverage. Enrolling in one of these plan types will not automatically disenroll you from Tufts Medicare Preferred Group PDP V. If you are enrolling in this plan type and want to leave our plan, you must ask to be disenrolled from Tufts Medicare Preferred Group PDP V. To ask to be disenrolled, you must send us a written request or contact Medicare at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week (TTY users should call 1-877-486-2048).
- To **change to Original Medicare without a prescription drug plan**, you must either:
  - Send us a written request to disenroll. Contact Member Services if you need more information on how to do so.
  - – or – Contact **Medicare**, at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week, and ask to be disenrolled. TTY users should call 1-877-486-2048.

## SECTION 4 Deadline for Changing Plans

Your employer retiree group determines the deadline to change plans. Please contact your benefits administrator.

If you decide to leave your Employer Group coverage and change to a different plan or to Original Medicare for next year, you can do it from **October 15 until December 7**. The change

will take effect on January 1, 2023. Contact your benefits administrator for details on changing plans.

### **Are there other times of the year to make a change?**

In certain situations, changes are also allowed at other times of the year. Examples include people with Medicaid, those who get “Extra Help” paying for their drugs, those who have or are leaving employer coverage, and those who move out of the service area.

If you recently moved into, currently live in, or just moved out of an institution (like a skilled nursing facility or long-term care hospital), you can change your Medicare coverage **at any time**. You can change to any other Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without a separate Medicare prescription drug plan) at any time.

## **SECTION 5 Programs That Offer Free Counseling About Medicare**

The State Health Insurance Assistance Program (SHIP) is a government program with trained counselors in every state. In Massachusetts, the SHIP is called SHINE (Serving the Health Insurance Needs of Everyone).

SHINE is independent (not connected with any insurance company or health plan). It is a state program that gets money from the Federal government to give **free** local health insurance counseling to people with Medicare. SHINE counselors can help you with your Medicare questions or problems. They can help you understand your Medicare plan choices and answer questions about switching plans. You can call SHINE at 1-800-243-4636 (TTY: 1-800-439-2370). You can learn more about SHINE by visiting their website ([www.mass.gov/health-insurance-counseling](http://www.mass.gov/health-insurance-counseling)).

## **SECTION 6 Programs That Help Pay for Prescription Drugs**

You may qualify for help paying for prescription drugs. Below we list different kinds of help:

- **“Extra Help” from Medicare.** People with limited incomes may qualify for “Extra Help” to pay for their prescription drug costs. If you qualify, Medicare could pay up to 75% or more of your drug costs including monthly prescription drug premiums, annual deductibles, and coinsurance. Additionally, those who qualify will not have a coverage gap or late enrollment penalty. To see if you qualify, call:
  - 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048, 24 hours a day/7 days a week;
  - The Social Security Office at 1-800-772-1213 between 8 am and 7 pm, Monday through Friday for a representative. Automated messages are available 24 hours a day. TTY users should call, 1-800-325-0778; or
  - Your State Medicaid Office (applications).

- **Help from your state’s pharmaceutical assistance program.** Massachusetts has a program called Prescription Advantage that helps people pay for prescription drugs based on their financial need, age, or medical condition. To learn more about the program, check with your State Health Insurance Assistance Program.
- **Prescription Cost-sharing Assistance for Persons with HIV/AIDS.** The AIDS Drug Assistance Program (ADAP) helps ensure that ADAP-eligible individuals living with HIV/AIDS have access to life-saving HIV medications. Individuals must meet certain criteria, including proof of State residence and HIV status, low income as defined by the State, and uninsured/under-insured status. Medicare Part D prescription drugs that are also covered by ADAP qualify for prescription cost-sharing assistance through the Massachusetts HIV Drug Assistance Program (HDAP) at 1-617-502-1700. For information on eligibility criteria, covered drugs, or how to enroll in the program, please call the Massachusetts HDAP at 1-617-502-1700.
