Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a Member Services representative at 1-855-393-3154 or, for TTY users, 711, 8 a.m.–8 p.m., 7 days a week (Mon.–Fri. from Apr. 1–Sept. 30).

Understanding the Benefits

☐ The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit TuftsHealthOneCare.org or call 1-855-393-3154 to view a copy of the EOC.

☐ Review the Provider and Pharmacy Directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.

☐ Review the Provider and Pharmacy Directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.

☐ Review the formulary to make sure your drugs are covered.

Understanding Important Rules

☐ **Effect on current coverage.** If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage health care coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.

☐ Benefits may change on January 1, 2027.

☐ Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the Provider and Pharmacy Directory).

☐ This plan is a dual eligible special needs plan (D-SNP). Your ability to enroll will be based on verification that you are entitled to both Medicare and medical assistance from a state plan under Medicaid.

Tufts Health One Care is a health plan that contracts with both Medicare and MassHealth (Medicaid) to provide benefits of both programs to enrollees. It is for people ages 21 through 64 who have both Medicare and MassHealth at the time of enrollment. Enrollees must live in our current service area and may not have any private health insurance or participate in a Home and Community-Based Services (HCBS) waiver. Tufts Health One Care is a voluntary MassHealth (Medicaid) program in association with EOHHS and CMS. Other eligibility requirements and restrictions may apply. Tufts Health One Care complies with applicable Federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability, or sex (including pregnancy, sexual orientation, and gender identity).
