If you decide other coverage will better meet your needs, you may be able to switch plans (refer to **Section G2** for more information). If you enroll in a new plan, or change to Original Medicare, your new coverage will begin on the first day of the following month.

C. Changes to our network providers and pharmacies

Our provider and pharmacy networks have changed for 2027.

Please review the 2027 *Provider and Pharmacy Directory* to find out if your providers (primary care provider, specialists, hospitals, etc.) or pharmacy are in our network. An updated *Provider and Pharmacy Directory* is located on our website at TuftsHealthOneCare.org. You may also call Member Services at the numbers at the bottom of the page for updated provider information or to ask us to mail you a *Provider and Pharmacy Directory.*

It's important that you know that we may also make changes to our network during the year. If your provider leaves our plan, you have certain rights and protections. For more information, refer to **Chapter 3** of your *Member Handbook* or call Member Services at the number at the bottom of the page for help.

D. Changes to benefits for next year

D1. Changes to benefits for medical services

We're changing our coverage for certain medical services next year. The table below describes these changes.

	2026 (this year)	2027 (next year)
Vision - Therapeutic eyewear (Medicare covered & Supplemental coverage)	Coverage is for standard frames and/or lenses. You will pay any cost over the allowed charge	Coverage is for standard as well as non-standard frames and/or lenses. You will pay any cost over the allowed charge.

D2. Changes to drug coverage

Changes to our *Drug List*

Our *List of Covered Drugs* is also called the *Formulary* or *Drug List*. A copy of our *Drug List* is posted online at TuftsHealthOneCare.org.

You can get the complete Drug List by calling Member services at the number at the bottom of the page or visiting our website at TuftsHealthOneCare.org.

We made changes to our *Drug List*, which could include removing or adding drugs, changing drugs we cover and changes to the restrictions that apply to our coverage for certain drugs.

Review the *Drug List* to **make sure your drugs will be covered next year** and to find out if there are any restrictions.

Most of the changes in the *Drug List* are new for the beginning of each year. However, we might make other changes that are allowed by Medicare and/or the state that will affect you during the calendar year. We update our online *Drug List* at least monthly to provide the most up to date list of drugs. If we make a change that will affect a drug you're taking, we'll send you a notice about the change.

If you're affected by a change in drug coverage, we encourage you to:

- Work with your doctor (or other prescriber) to find a different drug that we cover.
    - You can call Member Services at the numbers at the bottom of the page or contact your care coordinator to ask for a *List of Covered Drugs* that treat the same condition.
    - This list can help your provider find a covered drug that might work for you.
- Work with your doctor (or other prescriber) and ask us to make an exception to cover the drug.

  - You can ask for an exception before next year, and we'll give you an answer within 72 hours after we get your request (or your prescriber's supporting statement).
  - To learn what you must do to ask for an exception, refer to **Chapter 9** of your *Member Handbook* or call Member Services at the numbers at the bottom of the page.
  - If you need help asking for an exception, contact Member Services or your care coordinator. Refer to **Chapters 2 and 3** of your *Member Handbook* to learn more about how to contact your care coordinator.

- Ask us to cover a temporary supply of the drug.
  - In some situations, we cover a **temporary** supply of the drug during the first 108 days of the calendar year.
  - This temporary supply is for up to *30* days. (To learn more about when you can get a temporary supply and how to ask for one, refer to **Chapter 5** of your *Member Handbook*.)
  - When you get a temporary supply of a drug, talk with your doctor about what to do when your temporary supply runs out. You can either switch to a different drug our plan covers or ask us to make an exception for you and cover your current drug.

If we approved a request for an exception, our approval is usually valid until the end of the plan year. This is true as long as your doctor continues to prescribe the drug for you, and the drug continues to be safe and effective for treating your condition. If this is the case, this means you or your doctor must submit a new exception request for 2027.

Changes to drug costs

There are no changes to the amount you pay for drugs in 2027. Read below for more information about your drug coverage.

Because you're eligible for MassHealth (Medicaid), you get Extra Help from Medicare to help pay for your Medicare Part D drugs.

The following table shows your costs for drugs in our single drug tier.

	2026 (this year)	2027 (next year)
Drugs in Tier 1 (Vaccines, Over the counter drugs, generic drugs and brand name drugs) Cost for a one-month supply of a drug in Tier 1 that's filled at a network pharmacy	All drugs will be on a single tier (Tier 1)" Your copay for a one-month (30-day)) supply is **$0**.	All drugs will be on a single tier (Tier 1)" Your copay for a one-month (30-day)) supply is **$0**.

E. Administrative changes

Below shows administrative changes for Tufts Health One Care in 2027.

	2026 (this year)	2027 (next year)
Extended day supply of prescription drugs	An extended day supply is limited to the standard 30- or 90-day supply for all drugs on the formulary.	An extended day supply of up to 100 days rather than the standard 30- or 90-day supply is offered for preferred generic medications.
Coverage of Lidocaine 4% topical patch	Covered by the plan as "additional" OTC drug.	Covered under MassHealth (Medicaid) OTC drug list.

F. Choosing a plan

F1. Staying in our plan

We hope to keep you as a plan member. You don't have to do anything to stay in our plan. Unless you sign up for a different Medicare plan or change to Original Medicare, you'll automatically stay enrolled as a member of our plan for 2027.

F2. Changing plans

Because you have Medicare and Medicaid (MassHealth), you can leave our plan by enrolling in another plan that covers all of your benefits, called a Dual Eligible Special Needs Plan (D-SNP). You can enroll in another D-SNP at any time during the year.

When you enroll in another D-SNP, your membership in our plan will end automatically. You don't need to call to disenroll.

If you want to switch to a different type of coverage you can end your membership in our plan during the following times each year:

- The **Open Enrollment Period**, which lasts from October 15 to December 7. If you choose a new plan during this period, your membership in our plan ends on December 31 and your membership in the new plan starts on January 1.
- The **Medicare Advantage (MA) Open Enrollment Period**, which lasts from January 1 to March 31. If you choose a new plan during this period, your membership in the new plan starts the first day of the next month.

There may be other situations when you're eligible to make a change to your enrollment. For example, when:

- you moved out of our service area,
- your eligibility for MassHealth (Medicaid) or Extra Help changed, **or**
- you recently moved into or are currently getting care in an institution (like a skilled nursing facility or a long-term care hospital). If you recently moved out of an institution, you can change plans or change to Original Medicare for two full months after the month you move out.

Your Medicare services

You have three options for getting your Medicare services listed below any month of the year. You have an additional option listed below during certain times of the year including the **Open Enrollment Period** and the **Medicare Advantage Open Enrollment Period** or other situations described in **Section G2**. By choosing one of these options, you automatically end your membership in our plan.
