

Your Doctor Visit Book

Questions or concerns you have for your doctor:

1.

2.

3.

Any health or life changes since your last visit?

Discuss these important topics:

1. Falls

Have you fallen?

2. Bladder Control

Any issues with bladder control?

3. Physical Activity

How much feels right?

4. Mental Health

How are you feeling emotionally?

5. Mobility

Can you move safely in your home?

Review your medications with your doctor:

Ask your doctor to review any prescriptions, over-the-counter medicines, vitamins, and supplements you currently take. Bring your medications to your appointment or list them below—include how much and how often you take each.

My medications, vitamins, and supplements:

1.

2.

3.

4.

5.

6.

Do you know the reason for your medications?

Yes No

If not, circle the medication to discuss with your doctor.

Are you experiencing any new side effects?

Yes No

If yes, list side effects to discuss with your doctor.
