What You Will Learn Today?

When do you need Medicare?

How can you enroll in Medicare?

What does Medicare cover?

What other options are available in addition to Medicare?

When do you need Medicare to start ?

- **If you are turning 65 and have no insurance**
- **Retiring at 65**
- **Under 65 and permanently out of work due to a disability**
- **If you are already collecting Social Security**

WHEN

Initial enrollment

A 7-month window around your 65th birthday:

3 Months before

65th Birthday Month

3 Months after

** Coverage begins based on month you sign up. If still working or covered by a spouse's plan, you can defer signing up during this period (no Part B penalty will apply)*

HOW

You will be automatically enrolled in Medicare A and B if:

- You are already receiving Social security or Railroad Retirement Board
- Are under 65 and disabled
- Have ALS (Amyotrophic Lateral Sclerosis)

You will generally receive your Medicare card up to three month prior to the start date.

If you are not automatically enrolled you will need to contact Social security

- 1-800-722-1213
- www.socialsecurity.gov
- Go to your local SS office

When do you need Medicare to start ?

- **If you are working past the age of 65 and have Group insurance**
- **Covered by a spouse**
- **Not collecting Social security**

WHEN

Special Enrollment

Times you can enroll outside of the initial Enrollment period (turning 65)

Month your/spouse's Employer/ Group coverage ends

3 months before -8 Months after

** This is the most common scenario. (You have 8 Months to enroll after the month your employer/ spouse coverage ends, or your employment ends, whichever comes first without incurring a Part B penalty.)*

HOW

You must provide proof of coverage through your, or spouse's current employer (Form CMS-L564)

Fill out the Medicare Part B form (Form CMS-40B)

Either mail the completed forms to your local SS office

Or

Apply in person

When do you need Medicare to start ?

- if you were not automatically enrolled in Medicare
- Missed the initial and Special Enrollment periods

If you missed the Initial, and missed/not qualified for Special, you need to wait for General Enrollment

Jan. 1st - Mar. 31st

Coverage begins the following July 1st

** May be subject to a penalty. 10% Penalty on your part B Premium for each 12 month period you did not enroll in Part B. Paid for life*

Options with Original Medicare

Part D Prescription Drug plan

Deductible stage

This is the \$ amount you are required to pay before your plan pays its share of your covered drugs (not all plans have deductibles)

Ends when deductible is met

Initial Stage

In this stage, you will pay co-pays for your prescriptions based on your plan's cost sharing schedule.

Ends when the total cost of your prescriptions (co-pays and remaining cost by the plan), reaches \$4,020

Coverage Gap Stage

Also known as the "Donut hole". You now pay 25% of the cost of your Generic drugs and 25% of Brand name drugs

Ends when your total-out-of-pocket costs for your drugs reach \$6,350

Catastrophic Stage

After completing the Coverage Gap Stage, you pay the greater of 5% of the drug, or \$3.60 for Generic drugs and \$8.95 for brand names

Final stage of the Part D plan. Individual will stay in this stage until the New year begins

- **Penalty*:** Not enrolling in Part D when you are first eligible, or going 63 days or more without continuous Part D or equivalent drug coverage MAY result in a late enrollment penalty which would be added to your Part D premium when you do enroll.
 - ** If you are still working, and have equivalent drug coverage through your employer or a Spouse, you will not be subject to a penalty*
