## B. Antecedentes sobre los proveedores de la red de Tufts Health Plan Senior Care Options

### B1. Términos clave

Esta sección explica los términos clave que verá en nuestro Directorio.

- **Proveedores** son profesionales como médicos, enfermeros, farmacéuticos, terapeutas y otras personas que prestan atención y servicios. **Servicios** incluyen atención médica, suministros para servicios y recursos de apoyo a largo plazo (LTSS), medicamentos de venta con receta, equipos y otros servicios.
    - El término proveedores incluye centros como hospitales, clínicas y otros lugares que prestan servicios médicos y equipo médico. También incluye proveedores de LTSS que puede preferir como miembro de Tufts Health Plan Senior Care Options.
    - Los proveedores que son parte de la red del plan se denominan proveedores de la red.
- **Proveedores de la red** tienen un contrato con nosotros para prestar servicios a los miembros de nuestro plan. Los proveedores de la red participan en nuestro plan. Eso significa que aceptan miembros de nuestro plan y prestan los servicios que cubre nuestro plan. Cuando prefiere un proveedor de la red, por lo general no paga nada por los servicios cubiertos.
- Un **proveedor primario de cuidados médicos** (PCP, Primary Care Provider) es un médico, enfermera practicante o asistente médico que cumple los requisitos estatales y le brinda atención de salud de rutina. El PCP conservará su historia clínica y conocerá sus necesidades de salud con el tiempo. El PCP también le dará un referido si necesita atenderse con un especialista u otro proveedor.

**Esta sección continúa en la página siguiente**

- **Especialistas** son médicos que prestan servicios de atención de salud por una enfermedad o parte del cuerpo específica. Hay muchos tipos de especialistas. Estos son algunos ejemplos:
    - Los oncólogos atienden a pacientes con cáncer.
    - Los cardiólogos atienden a pacientes con afecciones cardíacas.
    - Los ortopedas atienden a pacientes con ciertas afecciones de huesos, articulaciones o músculos.
- Es posible que necesite un referido o una **autorización previa** para atenderse con un especialista o alguien que no sea el PCP. Un **referido** se refiere a que el PCP de la red debe darle aprobación antes de que pueda atenderse con otro médico. Una **autorización previa** es diferente a un referido. Esto significa que **Tufts Health Plan Senior Care Options** (no el PCP de la red) debe darle aprobación **antes** de que cubramos un servicio, artículo, medicamento o proveedor fuera de la red específico. Si no obtiene un referido o autorización previa, Tufts Health Plan Senior Care Options podría no cubrir el servicio, artículo o medicamento.
    - Las derivaciones o autorizaciones previas no son necesarias para lo siguiente:
        - Atención de emergencia;
        - Atención urgentemente necesaria;
        - Los servicios de diálisis renal que recibe en un centro de diálisis certificado por Medicare cuando está fuera del área de servicio del plan;
        - Servicios de un especialista en salud de mujeres.
    - Además, si es elegible para recibir servicios de proveedores de salud para indígenas, puede atenderse con estos proveedores sin un referido. Debemos pagar al médico para indígenas por los servicios incluso si están fuera de la red de nuestro plan.
    - Hay más información sobre derivaciones y autorizaciones previas en el capítulo 3 de la *Evidencia de cobertura*.

**Esta sección continúa en la página siguiente**

- También se le asignará un **Equipo de atención primaria (PCT, Primary Care Team)**. Usted es el centro del PCT junto con el PCP, el gerente de atención y los especialistas. El PCT también puede incluir un coordinador de servicios de apoyo geriátrico, un asesor en salud conductual o un farmacéutico. Es posible que se asignen otros miembros del equipo según sus necesidades. Todas las personas del equipo de atención primaria trabajan en conjunto para garantizar que su atención esté coordinada. Esto significa que se aseguran de que se someta a todos los exámenes, análisis de laboratorio y atención que necesite y que se compartan los resultados con los proveedores correspondientes. También significa que el PCP debe conocer todos los medicamentos que usted toma para que puedan reducir los efectos negativos. El PCP siempre pedirá su autorización antes de divulgar su información médica con otros proveedores. Los miembros del equipo de atención primaria pueden incluir los siguientes:
    - Un **gerente de atención** que lo ayude a administrar proveedores y servicios médicos.
    - Su **proveedor primario de cuidados médicos.**
    - **Coordinador de servicios de apoyo geriátrico (GSSC, Geriatric Support Services Coordinator)** para ayudarlo a buscar y acceder a servicios de apoyo disponibles para usted en la comunidad. El GSSC se basa en el Punto de Acceso de Servicios para Adultos Mayores (ASAP, Aging Services Access Point). Consulte el Contenido en la página 1 para obtener información sobre dónde se indican los Puntos de Acceso de Servicios para Adultos Mayores (ASAP, Aging Services Access Point) (en la sección Servicios y Apoyos a largo plazo [LTSS]). (El gerente de atención y el GSSC pueden trabajar como parte del equipo de atención primaria para asegurarse de que obtenga la atención que necesita).
    - Una enfermera practicante, enfermero registrado o asistente médico.

El equipo de atención primaria también lo ayudará a buscar otros proveedores de atención medical, de salud conductual o servicios y recursos de apoyo a largo plazo (LTSS) si necesita atenderse con un especialista u otro proveedor de atención de salud. De ese modo, se atenderá con un médico adecuado que lo ayude con sus inquietudes.

## B2. Cómo escoger un proveedor primario de cuidados médicos (PCP)

En primer lugar, tendrá que elegir un proveedor primario de cuidados médicos. Puede elegir cualquier PCP en nuestra red que acepte miembros nuevos.

**Esta sección continúa en la página siguiente**

El PCP podría tener ciertos especialistas del plan que pueden entregarle la mejor atención. Si el PCP lo deriva a un especialista, podría enviarlo donde uno con el que trabaje en forma regular para garantizar que la atención médica esté coordinada en la forma más eficaz posible.

Para escoger un PCP, vaya a la lista de médicos (consulte el Contenido en la página 1 para saber dónde comienza la lista de médicos) y escoja un médico:

- lo atiende actualmente;
- se lo recomendó alguien en quien confía;
- tiene consultorios a los que usted puede llegar con facilidad.
- Si no elige un PCP en nuestra red, Tufts Health Plan Senior Care Options escogerá uno por usted.
- Si quiere obtener ayuda para elegir un PCP, llame a Relaciones con el Cliente al 1-855-670-5934 (TTY: 711), los 7 días de la semana de 8:00 a. m. a 8:00 p. m., desde el 1 de octubre al 31 de marzo y de lunes a viernes del 1 de abril al 30 de septiembre. Llamar es gratis. También puede visitar www.thpmp.org/sco-member.
- Si desea saber si un servicio o atención que quiere o necesita está cubierto, hable con el equipo de atención primaria o llame a Relaciones con el Cliente al 1-855-670-5934 (TTY: 711) y pregunte **antes** de recibir el servicio o la atención.

## B3. Proveedores de servicios y recursos de apoyo a largo plazo (LTSS)

Como miembro de Tufts Health Plan Senior Care Options, usted podrá recibir servicios y recursos de apoyo a largo plazo (LTSS) si los necesita, como atención de salud diurna para adultos, servicios de acogida para adultos, rehabilitación diurna, servicios de asistente de cuidado personal y transporte. LTSS son un apoyo para las personas que necesitan asistencia para realizar tareas de la vida diaria como tomar un baño, vestirse, preparar la comida y tomar medicamentos. La mayoría de estos servicios se prestan en su hogar o en su comunidad, pero también se podrían ofrecer en una casa de reposo u hospital.

Si necesita LTSS, el gerente de atención o el coordinador de servicios de apoyo geriátrico pueden ayudarlos a usted y al equipo de atención primaria a determinar las opciones que están disponibles para brindarle asistencia del modo en que usted quiere.

**Si tiene preguntas**, llame a Tufts Health Plan Senior Care Options al 1-855-670-5934 (TTY: 711), los 7 días de la semana, de 8:00 a. m. a 8:00 p. m. (del 1 de abril al 30 de septiembre, de lunes a viernes, de 8:00 a. m. a 8:00 p. m.). La llamada es gratis. **Para obtener más información**, visite www.thpmp.org/sco-member.

## B4. Cómo acceder a los proveedores de la red de Tufts Health Plan Senior Care Options

Es posible que necesite un referido para atenderse con alguien que no sea el proveedor primario de cuidados médicos. Hay más información sobre derivaciones en la sección B1 de este Directorio. Consulte el Contenido en la página 1 para saber dónde comienza la Sección B1.

Debe recibir todos sus servicios cubiertos de proveedores dentro de nuestra red. Si prefiere proveedores que no están en la red de Tufts Health Plan Senior Care Options **sin autorización previa, tendrá que pagar la factura.**

Una **autorización previa** es una aprobación de Tufts Health Plan Senior Care Options para buscar servicios fuera de nuestra red o para recibir servicios que generalmente no cubre nuestra red **antes** de recibir los servicios.

Las únicas excepciones a esta norma son la atención de urgencia o emergencia o la diálisis cuando no las puede obtener de un médico del plan, como cuando está lejos del hogar. También puede preferir opciones fuera del plan para otros servicios que no son de emergencia si Tufts Health Plan Senior Care Options le da permiso primero.

- Puede cambiar de proveedores dentro de la red en cualquier momento durante el año. Si se ha estado atendiendo con un proveedor de la red, no es necesario que siga atendiéndose con el mismo. Puede cambiar de PCP por cualquier motivo, en cualquier momento.
- Tufts Health Plan Senior Care Options trabaja con todos los proveedores en nuestra red para satisfacer las necesidades de las personas con discapacidades. Según corresponda, la lista de proveedores de la red en este Directorio incluye información sobre las adaptaciones que ofrecen.
- Si necesita atenderse con un médico y no está seguro de si ofrece las adaptaciones que usted necesita, Tufts Health Plan Senior Care Options puede ayudarlo. Hable con el gerente de atención para obtener ayuda.
