Sección 1: Introducción

Este folleto entrega una lista de los proveedores dentro de la red de Tufts Medicare Preferred HMO. Para obtener información detallada sobre su cobertura de atención de salud, consulte su Evidencia de cobertura (EOC).

Tendrá que seleccionar a uno de los proveedores dentro de nuestra red que figuran en este directorio para que sea su proveedor primario de cuidados médicos (PCP, Primary Care Provider). Por lo general, usted debe recibir los servicios de atención de salud de su PCP. El PCP es un médico, enfermera practicante o asistente médico que cumple los requisitos estatales y está capacitado para brindarle atención de salud general. Usted generalmente verá a su PCP para la mayoría de sus necesidades de atención de salud. Su PCP le brindará la mayor parte de la atención y ayudará a coordinar el resto de los servicios cubiertos que usted recibe como miembro del plan.

Los proveedores de la red indicados en este directorio han acordado proporcionarle servicios de atención de salud y cuidado de la vista. Usted podría atenderse con cualquiera de los médicos de nuestra red que figuran en este directorio; sin embargo, es posible que algunos servicios necesiten un referido. Cada PCP tiene ciertos especialistas del plan, lo que se denomina “círculo de referidos”, que utiliza para proporcionarle atención médica a usted. Un círculo de referidos corresponde al equipo de especialistas con el que trabaja su PCP. Si su PCP lo deriva a un especialista, lo enviará a un especialista que esté en su círculo de referidos. No todos los médicos de Tufts Health Plan Medicare Preferred se incluyen en el círculo de referidos de su PCP. Esto significa que usted no tendrá acceso a toda la red de Tufts Health Plan Medicare Preferred, salvo en situaciones de emergencia o urgencia o para diálisis renal u otros servicios fuera de la red. Asimismo, el referido de su PCP puede tener limitaciones de tiempo. En algunos casos, el PCP necesitará obtener nuestra autorización previa (aprobación previa). Puesto que el PCP proporcionará y coordinará su atención médica, debería enviar toda su historia clínica al consultorio del PCP.

Si recibe una factura de un médico no contratado por un servicio que recibió mientras acataba las reglas del plan y que usted cree que el plan debería cubrir, no la pague. Envíe la factura directamente a Tufts Medicare Preferred HMO para procesar y determinar su responsabilidad, si la hubiere.

Una “emergencia médica” es cuando usted o cualquier otra persona prudente sin conocimiento especializado, con un conocimiento promedio de salud y medicina cree que usted presenta síntomas médicos que requieren atención médica inmediata para impedir la muerte, la pérdida de una extremidad o la pérdida de las funciones de una extremidad. Los síntomas médicos pueden ser una enfermedad, lesión, dolor intenso o una afección que está empeorando rápidamente. Si tiene una emergencia médica:

- Obtenga ayuda lo más rápido posible. Llame al 911 para pedir ayuda o vaya a la sala de emergencias o al hospital más cercano. Llame a una ambulancia si lo necesita. No necesita conseguir primero una aprobación o un referido de su PCP.
- Lo antes posible, asegúrese de que se haya informado a nuestro plan sobre su emergencia. Tenemos que realizar un seguimiento a su atención de emergencia. Usted u otra persona debería llamarnos para informarnos de su atención de emergencia, por lo general dentro de un plazo de 48 horas. El número de teléfono para llamar a nuestro plan está al reverso de su tarjeta de miembro.
- Puede estar fuera de nuestra área de servicio hasta por 6 meses consecutivos y seguir con cobertura para atención de emergencia y urgencia.

Debe usar proveedores de la red salvo en casos de atención de emergencia o urgencia y para diálisis renal u otros servicios fuera del área. Si recibe atención de rutina de proveedores fuera de la red, ni Medicare ni Tufts Medicare Preferred HMO serán responsables de los costos.
