SECTION 1 – Introduction

This directory provides a list of Tufts Medicare Preferred HMO's network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).

You will have to choose one of our network providers listed in this directory to be your Primary Care Physician (PCP). Generally, you must get your health care services from your PCP. Your PCP is a physician, nurse practitioner, or physician's assistant who meets state requirements and is trained to give you general medical care. You will usually see your PCP for most of your health care needs. Your PCP will provide most of your care and will help arrange or coordinate the rest of the covered services you get as a plan member.

The network providers listed in this directory have agreed to provide you with your health care and vision services. You may go to any of our network providers listed in this directory; however, some services may require a referral. Each plan PCP has certain plan specialists called a "referral circle" that s/he uses for providing medical care to you. A referral circle is the team of specialists your PCP works with. If your PCP refers you to a specialist s/he will send you to a specialist in his/her referral circle. Not all Tufts Health Plan Medicare Preferred physicians are included in your PCP's referral circle. This means that in most cases, you will not have access to the entire Tufts Health Plan Medicare Preferred network, except in emergency or urgent care situations or for out-of-area renal dialysis or other services. Also, your PCP's referral may be time limited. In some cases, your PCP will need to get prior authorization (prior approval) from us. Since your PCP will provide and coordinate your medical care, you should have all of your past medical records sent to your PCP's office.

If you receive a bill from a non-contracting provider for a service that you received while following plan rules and which you believe should be covered by the plan, do not pay the bill. Send the bill directly to Tufts Medicare Preferred HMO for processing and determination of your liability, if any.

A "medical emergency" is when you, or any other prudent layperson with an average knowledge of health and medicine, believe that you have medical symptoms that require immediate medical attention to prevent loss of life, loss of a limb, or loss of function of a limb. The medical symptoms may be an illness, injury, severe pain, or a medical condition that is quickly getting worse. If you have a medical emergency:

- Get help as quickly as possible. Call 911 for help or go to the nearest emergency room or hospital. Call for an ambulance if you need it. You do not need to get approval or a referral first from your PCP.
- As soon as possible, make sure that our plan has been told about your emergency. We need to follow up on your emergency care. You or someone else should call to tell us about your emergency care, usually within 48 hours. The phone number to call our Plan is on the back of your membership card.
- You can be outside our service area for up to 6 consecutive months and still be covered for emergency and urgently needed care.

You must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis or other services. If you obtain routine care from out-of-network providers neither Medicare nor Tufts Medicare Preferred HMO will be responsible for the costs.

What is the service area for Tufts Medicare Preferred HMO?

The counties in our service area are listed below.

Massachusetts counties: Barnstable, Bristol, Essex, Hampden, Hamsphire, Middlesex, Norfolk, Plymouth, Suffolk, and Worcester.

How do you find Tufts Medicare Preferred HMO providers in your area?

The directory is divided into several sections to allow you the flexibility to search for information in the way that best suits your needs. To find Tufts Medicare Preferred HMO Providers near your home, reference the City/Town index. This section is an index of Primary Care Physicians and Specialists listed by City/Town.

If you have questions about Tufts Medicare Preferred HMO, or require assistance in selecting a PCP, please call our Customer Relations Department at 1-800-701-9000, Monday-Friday 8 a.m. – 8 p.m. (From October 1- March 31 representatives are available 7 days a week, 8 a.m. – 8 p.m.) After hours and on holidays, please leave a message and a representative will return your call on the next business day. TTY users should call 711. You can also visit **thpmp.org**.

Network Pharmacies

This booklet provides a list of Tufts Medicare Preferred HMO's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Tufts Medicare Preferred HMO's formulary.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under Tufts Medicare Preferred HMO only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of September, 2018. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this directory.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

SECTION 2 – List of Network Providers

The directory is divided into several sections to allow you the flexibility to search for information in the way that best suits your needs. First, you may want to reference the three indices we offer sorted by select criteria. You'll find the following indices in the back of the directory:

Alphabetical
Index of Primary Care Physicians and Specialists listed alphabetically

City/Town
Index of Primary Care Physicians and Specialists listed by City/Town

Hospital Affiliation

Or, you may decide to go directly to sections with detailed information, including:

- Inpatient Mental Health Facilities
- EyeMed's Routine Vision Care Providers
- Participating Pharmacies
    - Retail Pharmacies, Including Chain Pharmacies
