NOTE: Not all eye care providers are within your PCP's contracting network. Although you may access any provider for routine services, you must receive all non-routine medically necessary vision services within your primary care physician's (PCP's) contracting network, with a referral from your PCP. This may require that you use a different provider if medically necessary vision services are needed.

M.D. = Ophthalmologists are physicians who perform eye examinations, prescribe glasses or other corrective devices, treat disease and perform surgical or other procedures.

O.D. = Optometrists are specialists licensed to perform eye exams and prescribe glasses or other corrective devices.

Opticians dispense eyewear materials only.

NOTE: Not all eye care providers are within your PCP's contracting network. Although you may access any provider for routine services, you must receive all non-routine medically necessary vision services within your primary care physician's (PCP's) contracting network, with a referral from your PCP. This may require that you use a different provider if medically necessary vision services are needed.

M.D. = Ophthalmologists are physicians who perform eye examinations, prescribe glasses or other corrective devices, treat disease and perform surgical or other procedures.

O.D. = Optometrists are specialists licensed to perform eye exams and prescribe glasses or other corrective devices.

Opticians dispense eyewear materials only.

NOTE: Not all eye care providers are within your PCP's contracting network. Although you may access any provider for routine services, you must receive all non-routine medically necessary vision services within your primary care physician's (PCP's) contracting network, with a referral from your PCP. This may require that you use a different provider if medically necessary vision services are needed.

M.D. = Ophthalmologists are physicians who perform eye examinations, prescribe glasses or other corrective devices, treat disease and perform surgical or other procedures.

O.D. = Optometrists are specialists licensed to perform eye exams and prescribe glasses or other corrective devices.

Opticians dispense eyewear materials only.

NOTE: Not all eye care providers are within your PCP's contracting network. Although you may access any provider for routine services, you must receive all non-routine medically necessary vision services within your primary care physician's (PCP's) contracting network, with a referral from your PCP. This may require that you use a different provider if medically necessary vision services are needed.

M.D. = Ophthalmologists are physicians who perform eye examinations, prescribe glasses or other corrective devices, treat disease and perform surgical or other procedures.

O.D. = Optometrists are specialists licensed to perform eye exams and prescribe glasses or other corrective devices.

Opticians dispense eyewear materials only.

NOTE: Not all eye care providers are within your PCP's contracting network. Although you may access any provider for routine services, you must receive all non-routine medically necessary vision services within your primary care physician's (PCP's) contracting network, with a referral from your PCP. This may require that you use a different provider if medically necessary vision services are needed.

M.D. = Ophthalmologists are physicians who perform eye examinations, prescribe glasses or other corrective devices, treat disease and perform surgical or other procedures.

O.D. = Optometrists are specialists licensed to perform eye exams and prescribe glasses or other corrective devices.

Opticians dispense eyewear materials only.
