

Evidence of Coverage Wrap Plan

This supplies information regarding your Wrap coverage that accompanies your Part D prescription drug coverage.

In 2019, Tufts Health Plan will include Wrap coverage in conjunction with your Part D drug coverage. Depending on which benefit stage you are in, the Wrap covers a portion of the cost of the drug. **This Wrap is additional coverage to your Tufts Medicare Preferred HMO Plan and is offered through Tufts Insurance Company. Please refer to the updated table below for how the Wrap works in the different stages.**

Medicare Coverage Gap Discount Program

The Medicare Coverage Gap Discount Program provides manufacturer discounts on brand name drugs in the Coverage Gap Stage. A 70% discount on the negotiated price (excluding the dispensing fee) will be applied to the cost of the drug for those brand name drugs from manufacturers that have agreed to pay the discount.
