☐ I had prescription drug coverage but **I didn't get a notice that clearly explained if my drug coverage was creditable** coverage.

Reminder: Most non-Medicare plans that offer prescription drug coverage, like employer or union coverage, must send enrollees a notice explaining how their prescription drug coverage compares to Medicare prescription drug coverage. Plans may provide this information in their benefits handbook or as a separate written notice.

If you don't know if your prescription drug coverage was creditable:
To help your case, you may want to send a letter to your previous plan and ask if your coverage was creditable. Attach your letter and any response to this form. You shouldn't wait to receive a response before you send this request form, and there is no need to send a letter if your prior coverage was with a Medicare Part D plan.

☐ **I believe the LEP is wrong because I was not eligible to enroll in a Medicare Part D plan during the period stated by my current Medicare Part D plan.** Example: You lived outside of the United States during the initial enrollment period stated by your Medicare Part D plan. You must submit proof why you believe the LEP is wrong, such as proof of overseas residency.

☐ **I believe the LEP is wrong because I was unable to enroll in a Medicare Part D plan due to a serious medical emergency.** You must submit proof that you experienced a serious medical emergency (e.g. unexpected hospitalization) that affected your ability to timely enroll in a Medicare Part D plan.

☐ **I have/had Extra Help from Medicare to pay for my prescription drug coverage.**

- **Dates of Extra Help: from _____ to _____.**
- **Use a separate sheet if necessary.**

☐ **I lived in an area affected by Hurricane Katrina** at the time of the hurricane (August 2005) and I joined a Medicare drug plan before December 2006.

- I am attaching evidence of my residency in 2005.
- Name of Parish: _____
