## Section I: Introduction

### Welcome to Delta Dental<sup>®</sup> Option

Quality dental care. Reasonable rates. That's what you get when you visit an in-network Delta Dental PPO dentist.

In this directory, you will find the names of dentists who make up the Delta Dental PPO<sup>SM</sup> network. The "network providers" listed in this directory have agreed to provide you with your dental services. You may go to any of our network providers listed in this directory. By using the providers listed in this directory, you will enjoy comprehensive and affordable dental care. And you will enjoy the advantages of Delta Dental's 30-plus years of dental benefits experience and our commitment to achieving and maintaining the oral health of you and your family.

#### Receiving Care from a Delta Dental PPO Dentist

You'll enjoy great benefits when you receive your dental care from a dentist in the Delta Dental PPO network, including:

- ◆ **Lower out-of-pocket costs.** Participating dentists agree to accept reduced fees for their services. Since your co-insurance is based on these reduced fees, you pay lower out-of-pocket costs than you would if you went to an out-of-network dentist.
- ◆ **No claims processing.** Your dentist will prepare and submit your claims for you.
- ◆ **Direct Payment.** Delta Dental pays the dentist directly, so you don't have to pay the dentist the covered amount up front and wait for a reimbursement check.
- ◆ **Pretreatment estimates.** We encourage you to ask your dentist to submit a pre-estimate for any procedure exceeding \$300. This helps us give you an idea of what you can expect in terms of services covered under your plan and any out-of-pocket expenses you may incur—before you begin treatment.

## **How to use this directory**

This directory is broken down by county and then alphabetically by town. Dentists, along with their addresses and phone numbers are listed alphabetically by their last names under the towns in which they practice.

This directory is current as of November 2015. Some network providers may have been added or removed from our network after this directory was printed. We do not guarantee that each provider is still accepting new members. To get the most up-to-date information about Delta Dental of Massachusetts' network providers in your area, you can visit

**<http://www.deltadentalma.com/thp-find-a-dentist/>** or call our Customer Service Department at 1-844-233-4522, 8 a.m. to 8 p.m. Monday through Friday. TTY/TDD users should call TTY 1-844-233-4524.

Tufts Health Plan is an HMO plan with a Medicare contract. Enrollment in Tufts Health Plan depends on contract renewal.

The provider network may change at any time. You will receive notice when necessary. This information is not a complete description of benefits. Contact the plan for more information. Limitations, copayments, and restrictions may apply. Benefits, premium, and/or copayments/coinsurance may change on January 1 of each year. Other Providers are available in our network.
