5 Reasons to Choose 5 Stars

An exclusive offer for 2023.

1. Because it means you get the highest quality health plan

Only a handful of Medicare Advantage plans earned 5 Stars from Medicare in 2023—and we are the only plan in Massachusetts to ever receive a 5-Star rating 8 years in a row.

2. Because it means you get better customer service

Part of our 5-Star rating was earned for keeping members happy. Fewer of our members submitted complaints or left the plan, and more got the service they needed and in a timely manner.

3. Because it means we work harder to keep members healthier

Part of our 5-Star rating was earned for easy access to services like physical examinations, vaccinations, and preventive screenings as well as help with chronic health conditions.

4. Because it means you can switch plans if you need to

If your needs change, even if it's not an enrollment period, you can switch from one Tufts Health Plan Medicare Advantage (HMO) plan to another that's right for you. Only 5-Star plans let you do that.*

5. Because 5-Star quality is affordable, as low as \$0/month

We offer a range of Medicare Advantage (HMO) plans to meet your needs, including ones with low premiums and others with low out-of-pocket costs. We'll even help you find the right one.
