

HOW TO USE TUFTS HEALTH PLAN'S DRUG PRICING TOOL

a Point32Health company

With Tufts Health Plan's online Drug Pricing Tool, it's easy to find your prescription drug costs and a whole lot more.

1

Log on to **thmp.org** and click "Drug Coverage" in the navigation bar at the top of the page.

2

Scroll down to find your plan type, then click the Drug Pricing Tool link to reach the Optum Rx website.

3

Once on the Optum Rx page, select your plan, enter your location, and click "Confirm."

4

Enter the drug's name, click the "Search" icon, and select form and dose as needed.

5

Review your cost (check the left-hand column to ensure quantity and dose are correct).

6

Click "More information" for different price breakdowns, what your plan does or doesn't cover, and home delivery options.
